Membership:

The MTA will continue to operate with a few key differences until further notice:

- MTA staff will be phoning businesses (replacing face to face visits) to discuss how you are managing in the present environment and offering help wherever we can.
- MTA WR staff remain readily contactable to assist you with any issues you may face.
- Zone and Divisional meetings have been suspended until late April
- Online / webinar solutions for those who have registered in WR courses prior to the end of April will be made available. You can still register for these WR courses by [clicking here](#) and those who have already registered will be contacted about how they can attend via webinar.
- Test and Tag training (8th of April) has been postponed until further notice.
- If any members have further queries please contact the Workplace Relations department on 8291 2000 or via email on wr@mtasant.com.au.
